OBJECTIVE

A passionate and innovative Computer Science student with strong skills in web development, and problem-solving. Eager to participate in hackathons to develop impactful solutions and gain real-world experience. With a collaborative mindset and technical expertise, I aim to contribute creatively and effectively to team success in high-pressure, competitive environments.

EDUCATION

Bachelor of Science in Computer Science Jimma University, Ethiopia (Expected Graduation: 2017 E.C)

MY PROJECTS

- SmartMenu:
  Developed a web-based food ordering system with an intuitive user interface using HTML, CSS, and Bootstrap framework.

- FitClub website
  built with React.js, offers a fast, user-friendly platform with personalized fitness plans and tips to keep you motivated.

- Netflix website

- Apple website
